

All Saints' Church SATURDAY MARKET & SWAP MEET

GOING GREEN!

March 14
9:00 am – 2:00 pm

Our monthly market is GOING GREEN in March!!! The theme is on recycling, so bring down your E-WASTE for disposal (old computers, cell phones, DVD players, etc.) but NO appliances please. Along with our regular line-up of talented crafters, we invite vendors selling items made with recycled or repurposed materials to participate for free! (Reminder: Non-profits are always free!) For more info, visit our website at: allsaintskauai.org, and click on the green Saturday Market button!
