SATURDAY MARKET
& SWAP MEET
All Creatures Great & Small
July 11
9:00 am – 2:00 pm
This month's Saturday Market is all about our beloved creatures great and small! Along with our regular line up of talented crafters, the Kauai Humane Society will be on hand with dogs for adoption. We are also inviting vendors with pet-related services and items to participate for free! So if you are a pet sitter, trainer, baker, groomer or breeder of fish, birds and other creatures, we may have just the spot for you! Space is limited, so sign up or inquire early! Come get some shopping done, find a great bargain or two & relax with a step-massage!
Don't forget to bring your E-Waste too!
