

Gathering of “Beautiful” Images

On Sunday, November 2nd,
we will be gathering a special offering from our ‘Ohana:

We invite you to bring images of all things “beautiful”
(i.e. family, pets, nature, etc.).

On Sunday, October 26th,
we will provide USB flash drives
for individuals who wish to submit images digitally.

If you share hard copies of photos, please properly label
them and place them in an envelope.

All photos will be returned.

These beautiful images will be an integral part of our
yearlong “Beautiful” Stewardship Campaign.

We look forward to seeing your beautiful images!
