COME & PLAY! FIF BRACKETS & DIVISIONS

Any individual, group or organization is encouraged to participate. Teams shall be formed based on the following criteria:

- All teams will have a minimum of 6 players (maximum of 10).
- Keiki & Youth Division teams may be coed
- Master's Division teams have separate brackets for Coed & Kane:
    - Coed teams shall have no less than **3 females** on a team with a minimum of **3 females** on the starting line up.
    - Kane teams are intended for all male members but may have females too.

- The Division and Brackets are established as follows:
    - Keiki Division, 10 & Under
    - Youth Division, 14 & Under Bracket
    - Youth Division, 18 & Under Bracket
    - Masters Division, Over 18, Coed Bracket
    - Masters Division, Over 18, Kane Bracket

TEAM FORMATION RULINGS:

Playing on more than one team: A player is limited to playing on no more than two different teams.

- The teams must be in different brackets or division, e.g., a player can belong to a team in the youth 14&U division and 18&U division, but not on two 14&U teams.
- A player can play up in an older division but not in a younger division.

Individuals that do not have a team will be placed on an open team or other team that may be looking for players. COME TO THE OPEN PRACTICES AND SHOW YOUR TALENT!!!

Mixed teams or "family teams" consist of players of different ages, and normally participate in the age bracket of the oldest member of the team, however, children under the age of 13 are not allowed to play on a Master's Team. In addition, an FIF official can deem a player ineligible to play on an upper division team due to physicality, even if the age requirement is met. A final determination will be made prior to the start of the tournament by the head referee.

Age Exceptions – A player in the keiki and youth divisions may play up in a bracket, but not down, except in some cases. This would occur when a team has a player with a recent birthday that would place him/her in an older bracket. Age exceptions are taken into consideration if the player's birth date was no more than 1 month before the tournament date. Only one age exception is allowed per team. Tournament officials reserve the right to request proof of age.

REGISTRATION

ENTRY INTO THE TOURNAMENT IS FREE!

A signed registration/waiver form must be turned in to be officially registered. Forms can be downloaded off the event site here: https://www.allsaintskauai.org/dodgeball.html. Then be sure to bring your completed and signed form to your first practice session. Blank registration forms will also be available at all practices at the All Saints' Gym.

Registration will not be considered complete unless the following items have been received and acknowledged by a tournament official:

1. Registration Form – Minor or Adult (With Player Acknowledgement)
2. Team Registration Form (Only for those entering a full team) *

* If you are forming a complete team, a Team Registration Form will be acceptable to confirm initial registration, but individual Player forms and Player Acknowledgment Forms are still required to take part in open practices, and must be received no later than August 29, 2025, or the team could be subject to elimination.

TOURNAMENT RULES

It is imperative that each player understand and abide by the tournament rules. **Each player is required to sign and turn in the Player Acknowledgement Form** included with the registration form which states that they have read and understand the tournament rules and Code of Conduct. If there are any questions, it is up to each player to have these questions clarified by a tournament official prior to game play. Tournament rules will be available online with the information and registration forms, and will be available at the gym during practices.

TOURNAMENT PLAY

Matches will be set up on a Round Robin, pool play, or pool/double elimination basis. The final determination will depend on the number of teams entered in each division. Matches will be played in rotation by brackets. The final schedule will be posted five days before the start of the tournament.

AWARDS

Trophies, medals, and special prizes will be awarded in EACH DIVISION as follows:

- The top three teams in each bracket
- Best Sportsmanship Team (Voted by spectators and officials)
- Best Uniform/Outfits (Voted by spectators and officials)
- MVP (Each team votes for their most valuable player)

TEAM PARENTS AND TEAM CAPTAINS

Each Keiki Division team shall assign a "Team Parent, Adult, or Team Leader (age 16 or older)" who will be responsible to supervise and check-in the team for each match during the tournament. All other division teams shall assign a "Team Captain" to be responsible for checking in the team for each match, and to be sure they report to the player's entrance when announced. Failure to do so could result in unnecessary delays, scratches, and forfeits.

OPEN PRACTICES

Practices in the All Saints' Gym will be available beginning in August. All teams and players should plan to attend at least a couple of the open practice sessions to familiarize themselves with the rules, procedures, game play and the special foam balls being used. A schedule will be posted on the event webpage and also in the gym. In order to take part in the practices please abide by the following:

- Bring your signed registration form with waiver. Blank forms will be available, but all minors require a parent/guardian signature.
- Wear rubber-soled sneakers or athletic shoes (no cleats).
- Bring a filled water bottle. There will be jug of water for refilling.
- Bring a smile and a good attitude!

VOLUNTEERS WELCOMED!

The FIF Dodgeball Program is run solely by volunteers. Adults and youth over the age of 16 are welcome to volunteer with us to help chaperone practices and even referee! We especially need help setting up and breaking down after the event. Tournament volunteers will get delicious meals and refreshments served up by our hospitality crew. If you are interested, be sure to complete a Volunteer Form available at the practice sessions.

ADDITIONAL INFORMATION

Winning isn't everything!

As in any competitive sport, there is an opportunity to learn some important life lessons. Handled positively, competition doesn't have to mean only winning. Competition should serve to bring out the best in each participant, creating an opportunity for growth, discipline, and sportsmanship. Although trophies are given to match winners, our main awards focus on good sportsmanship and team effort, voted on by officials, team mates and spectators.

Is dodgeball dangerous?

Like any sport, there is always the possibility of injury, whether it comes from a fall or collision, but dodgeball is no more dangerous than soccer, basketball, baseball, volleyball, surfing or football, and the nature of the sport itself involves much less physical contact

How is this event funded?

This special Centennial Celebration Dodgeball Tournament is being funded by All Saints' Church and its generous supporters, to provide a free, fun, family event, in celebration of its 100 years of service to our community!!

Food, tents, etc...

We encourage all of our participants and spectators to support the food trucks on property, but you are welcome to bring your own. Pop-up tents can be set up in designated areas only. Please be mindful of others and do not bring hibachis or other BBQ equipment that will create smoke.

Please Kokua…
This is a drug- free, alcohol-free program/event. Anyone found "using" or deemed under the influence, will be asked to leave the premises.
